- Expenses and ePro Self-Service Portal

**Availability/Impact:** These applications will not be available during this scheduled maintenance window. An additional announcement will be posted if the system becomes available sooner.

**Additional Information:**

PeopleSoft Financials Update 5.20 will be applied during this maintenance window. This update includes the Oracle annual maintenance, a PeopleTools (8.55.08) upgrade, along with BOR Enhancements and functionality. Specifics regarding modifications in this update can be found on the GeorgiaFIRST release page. (See link below.)

For Thursday, 11/16/2016

- All transactional processing must be completed and all users logged out by 5:00 pm.
- At 5:00 pm, ITS will remove institutional access to the systems listed above.
- After 5:00 pm, ITS will run all daily batch jobs one last time before System Maintenance begins.

Prior to Monday, 11/21/2016

- Review the announcement: [Release 5.20 WebEx Resources Available](#)  
These resources will explain the changes to expect with this release, as well as new features and Resolved Known Issues.
- Review the announcement: [PSFin Supported Browser Changes as of Annual Maintenance Release 5.20 & PeopleTools 8.55 Upgrade](#)
- ITS recommends that all users clear their Temporary Internet Files (browser cache) before logging back into the system. It is highly recommended that all users clear their browser cache often, especially after an update is applied to the Production database.
