

ANNOUNCEMENT

TO: GeorgiaFIRST PeopleSoft Financials Users

POSTED: September 28, 2023

SUBJECT: Table Changes Internal Integrations Testing, Monday, October 3, 2023 - Friday, October 6, 2023

The GeorgiaFIRST Financials release 5.90, scheduled for Friday, November 3, 2023, includes table changes that may affect third party integrations. ITS recommends that all institutions using institution specific integrations such as SAS, Business Objects, or other reporting software test these integrations prior to the release. Institutions will use the FPRE environment for this testing. To gain access, users will need to contact the ITS Helpdesk [here](#) for password information:

Table Name	Type of Change
PSOPRDEFN PSOPRDEFNVW	New column: PTACCTLOCKDATE
PS_REQ_HDR	New column: REQ_TYPE
PS_JOBCODE_TBL	Column length change: CAN_NOC_CD from 4 to 10 characters

MORE INFORMATION AND SUPPORT: For business impact issues, contact the ITS Helpdesk at helpdesk@usg.edu or via the [ITS Customer Services website](#).
