1--Includes Extension, In-Service, Workshop and Special Studies Enrollment.

2--Computed by dividing student quarter hours by 16 2/3 except medical students are each counted as one EFT student.

3--Continuing Education Centers in Albany, Gainesville and Marietta were replaced by new junior colleges this year.

*--Includes quarter hours taken at Augusta College by Medical College students.

**--New institutions.

NOTE: Procedures for reporting quarter credit hours in physical education and laboratory courses were changed effective Summer Quarter 1966. The net effect of this change is negligible except at Georgia Institute of Technology and Southern Technical Institute. The above per cent of increase figures are spuriously high for these two institutions
